Dear Vincent:

This confirms our conversation on February 14, 1984. Freestate Racing Association agrees to run the full back cover of its' 1984 Racing Program for a net price of \$4500. This quotation is based on the 1982-1983 attendance figures at Freestate versus the actual attendance guarantee contained in your letter of May 22, 1981.

It is my understanding that the rate for 1985 will be reviewed after this season is completed with the possibility of a \$1000 per 1000 of actual average attendance. *No*

Thanks again for your cooperation.

Sincerely,

Jim Wilhelm  
Executive Assistant
